

TOWN OF
Herndon
DEPARTMENT OF PUBLIC WORKS

**APPLICATION REQUEST FOR AN
ADDITIONAL AUTOMATED CURBSIDE COLLECTION CART**

DIRECTIONS: Bring completed/signed form to the Department of Public Works at 777 Lynn Street, 2nd floor or email to publicworks@herndon-va.gov

Eligibility and Terms:

Approval of this application provides for an additional automated collection cart based on the needs of residents to prevent overflow of materials. If approved, the property owner understands that all material must fit in the container so that the lid is closed completely. Materials cannot protrude from the container. Additional carts, up to the maximum amount allowed per the solid waste ordinance, may be provided. The additional carts are not owned or replaced after useful life by the town. This is the sole responsibility of the resident or property owner who purchased the additional carts.

Please select the follow options:

- Trash Cart - 96 gallon
- Recycling Cart - 96 gallon (only available to residents currently in the automated recycling program)

Carts are provided to residents "at cost". **The current at cost price is: \$43.70 per cart.**
