HERNDON TOWN COUNCIL SEEKS PUBLIC INPUT ON FY 2021 BUDGET

Herndon, VA (January 31, 2020) – The Herndon Town Council is seeking citizens’ input on programs and services to be included in the town’s FY 2021 Budget.

On February 11, the council will hold a public hearing to solicit citizens’ guidance on the budget. Additionally, citizens may provide input directly via a comment form on the town’s website, www.herndon-va.gov.

According to Mayor Lisa Merkel, this early input from citizens is an important part of the budget development process. “As we consider resource allocation for the next fiscal year, we encourage citizens to share with us their views on programs and services that are most important to them,” Merkel said.

By April 1, Town Manager Bill Ashton will deliver to the council a proposed FY 2021 budget. The council will then conduct two public hearings on the proposed budget, at its April 14 and April 28 meetings. The town’s FY 2021 budget must be adopted by June 30, 2020.

All public hearings begin at 7pm and are held at the Mary Ingram Council Chambers, 765 Lynn Street.

Information on the town’s FY 2021 budget will be posted throughout its development on the budget page at www.herndon-va.gov/budget.
