Eligibility Guidelines and Reporting Requirements for disbursement of town funds to non-profit organizations

Adopted by Resolution 11-G-01, January 25, 2011

Eligibility

- Organizations applying for funds or in-kind services must be community-based and provide services or activities in Herndon.
- Must be established for a minimum of two years.
- Must be chartered or incorporated through the State Corporation Commission.
- Must be a tax exempt entity as determined by the Internal Revenue Service.
- Must provide an amount from other sources equivalent to 50 percent of the funds requested from the town and document how these funds will be raised. Herndon Community Television (HCTV) is exempted from this requirement as HCTV provides direct services to the government by acting as the town's public television access station.
- Fundraising events requesting labor or material support from the town must reimburse the town 100 percent for this in-kind support. Organizations that provide fundraising events that promote economic development in town may request town sponsorship in the form of labor or materials. The organization is responsible for reimbursing the town 50 percent of the cost of these in-kind services.
- Friday Night Live! would reimburse 50 percent of the Herndon Police Department and the Department of Public Works' (Town's) costs not to exceed \$10,000. If there are 12 or fewer concerts due to cancellations, Friday Night Live! would reimburse 50 percent of the Town's costs not to exceed \$7,500. The 50 percent would remain the same as long as Friday Night Live! is a free event to the public and the Town is listed as a major sponsor of the event.
- Organizations that received town funding or in-kind services of \$5,000 or greater in the previous fiscal year must have submitted the required financial operating reports before a new grant application will be considered.
