

NEWS RELEASE

2018 TOWN OF HERNDON GOOD NEIGHBOR AWARD *Nominations Due October 15*

Herndon, VA (September 24, 2018) – The person next door who is always ready to help with neighborhood fix-it projects. The neighbor down the street who can be counted on to look after pets or keep watch on homes when owners are on vacation. The friend across the way who never fails to offer a smile, a wave, a hello – and a helping hand.

These are the good neighbors for whom the Town of Herndon is renowned – and these are the citizens who are celebrated as the town presents its Good Neighbor Award. Nominations are currently being accepted for the 2018 award; deadline for submissions is October 15.

Residents of the town may nominate a family member, friend or neighbor who makes noteworthy contributions toward the quality of life in their neighborhoods. Recipients of the Good Neighbor Award must be residents of the Town of Herndon and the act(s) for which they are nominated may not have been performed as an element of paid employment.

Good Neighbor Award recipients will be recognized by the Mayor and Town Council at an upcoming public meeting and will receive a commemorative gift.

A nomination form for the 2018 Good Neighbor Award is available on the town's website at www.herndon-va.gov/CultivatingCommunity. Forms are also available at the Herndon Municipal Center and the Herndon Community Center; for more information, call 703/435-6800 X2084 or e-mail information@herndon-va.gov.

The Good Neighbor Award is produced as part of the Town of Herndon's Cultivating Community Initiative, a program designed to encourage beautification and enrich the quality of life in the town's neighborhoods. All programs are developed through the input of citizen volunteers.
