Traffic Accidents

There were eight (8) reportable* traffic accidents in town during the week.

*Virginia State Police reporting guidelines define "reportable crashes" as accidents resulting in \$1,500 property damage and/or injury.

SECTION V: MISCELLANEOUS

The Town of Herndon has experienced an increase in vehicle thefts in recent weeks. The majority of these could have been avoided by either *locking the vehicle* or *not leaving the car running with the keys in the ignition*. This is a reminder that leaving your car unattended while “warming it up” in the cold weather only invites car thieves.

Do your part to prevent crime: always remove valuables from your vehicles and keep your vehicles locked.
