Our Herndon, Our Future: A Community Conversation

May 20, 2025

6:30pm

Town Council Chambers - 765 Lynn Street

Mayor Keven LeBlanc will host “Our Herndon, Our Future: A Community Conversation,” a town hall-style event on May 20, 2025. The event will be held at the Herndon Town Council Chambers. Remarks will begin at 6:30 pm with discussion and Q&A to follow.

“Our Herndon, Our Future is a great opportunity for residents to learn about key Town initiatives and have a conversation about how we can move them forward,” said Mayor LeBlanc. “There are challenges, but also many exciting opportunities on the horizon for Herndon. I look forward to discussing how our community is rising to meet both.”

This event is free to the public and preregistration is not required. It will be held in the Town Council Chambers at 765 Lynn Street, Herndon, Virginia 20170. Attendees may enter beginning at 6:00 pm. The mayor’s address will be delivered in English with live interpretation available for those who prefer to hear the remarks in Spanish.

“A thriving Town just isn’t lines on a map, it is a group of people with shared visions, shared values, and shared commitments to building a better future,” said LeBlanc. “It is important that we work together to understand where we want to go and how we will get there together.”

The mayor’s remarks and the conversations that follow will be rebroadcast on HCTV and available online for those unable to attend in person.
