## Know What to Throw

Putting non-recyclables into recycling bins disrupts the stream and can result in fines. Please follow these guidelines, also available at [herndon-va.gov/recycling](https://herndon-va.gov/recycling):

### What to put in the recycle bin:

- Plastic bottles & jugs with lids on
- Cartons
- Metal food and beverage cans
- Mixed paper
- Cardboard (remove packing materials). For large quantities, please call ahead to schedule.

### Prepare your recyclables:

- Make sure they are empty, clean, and dry. It is important to do this step!
- Leave recyclables loose inside the can.
- Do not put plastic bags inside or outside the can.

### Got glass bottles?

No curbside pickup for glass. Recycle by bringing your glass bottles to the purple container at 1479 Sterling Road.

### Bulky items

Items too large to fit into a closed bin can be picked up for a special collection (guidelines apply).

When in doubt, throw it out or contact [publicworks@herndon-va.gov](mailto:publicworks@herndon-va.gov) for guidance.
